### SHE SAW LINCOLN SHOT.

But the Play She Is Now Acting in Is Not a Gem.

Special to the Scranton Tribune.  
HONESDALE, Jan. 9.—"How did you enjoy the show last night?" "Got my money's worth the first act."

"Good, hey?" "One act was enough." This little dialogue describes the character of "Zab" at the opera house last night. There was considerable applause and laughter, but the play was empty and poor.

Kathryn M. Evans, one of the characters, was with the Laura Keen company at Ford's theater, Washington, when Lincoln was shot, and is the only living survivor of that company.

[Out of town correspondents of this Tribune should sign their names in full to each news letter, not for publication, out to guard against deception.]

### REVIVAL WORK PROGRESSES.

Rev. Mr. Gilliam Delivers Another Powerful Discourse in Dunmore.

Special to the Scranton Tribune.

DUNMORE, Pa., Jan. 9.—Unabated interest still centers in the Gilliam meetings at the Presbyterian church. There was a large attendance tonight. The meeting was on led by Rev. Mr. Hiron, of Scranton, who lead in prayer. Mr. Bronson then sang effectively, and Mr. Gilliam took for his subject, "What, Then, Shall I Do with Jesus?" He believed that three-quarters of the people present were doing without Jesus. He can understand how a hardened sinner can reject Jesus, but he could not understand how Christian people could hear the gospel night after night and still reject Him. If the business man neglects his business it goes to ruin, and why should this not be the same in our daily life, as we neglect the salvation of our souls?

"I believe," said Rev. Mr. Gilliam, "that this sin of neglect is the greatest sin there is. What will you say when you appear before God and he asks you 'what you have personally done with my son?' Turn from this terrible sin of neglect. I believe that all other sins are wrapped up in this one sin, neglect. All other sins are the outcome of this one. Do you want a simple trust in the Lord Jesus Christ? Do you want Him for your personal Saviour? If you do not act on the belief which prompts you tonight and place your trust in Him?" Tomorrow (Wednesday) afternoon prayer meetings will be held in the different sections of the town and services will be held tomorrow morning at 10 o'clock, tomorrow afternoon at 3:30 and this evening at 7:30. The evening service will be on the subject of "Skepticism." Seats have been reserved for all gentlemen who come alone and tickets can be secured from any of the ushers or those who attended tonight.

Hood's Praises Itself. Kidney Troubles—Bright's Disease Cured. Now Able to Work and Sound as a Dollar.

Mr. John Saxton of Scotland, Pa.

"I do think Hood's Sarsaparilla is 'worth its weight in gold.' For four years I suffered miserably with terrible pains in my back and trouble with my kidneys. The doctors thought I had Bright's disease. Many a time I had to give up work, and continually grew worse, and when I sat or stood down I had to be helped up. At last I had to give up and go to bed and remain six long weeks. It was then I began to take Hood's Sarsaparilla, and I soon found that it was helping me all along. I had been told nothing would help me and thought."

I Would Have to Die. But I continued to improve till I am now in perfect health and have as good a back as any man in town. Today I can do a good day's work, and truly feel that Hood's Sarsaparilla was a God-send to me. I am as sound as the best doctor.

Hood's Sarsaparilla Cures. That was ever made, and I want this statement put into print so that everybody can see what good it did me. Every word of the above can be proved by a score of people here who know how I suffered and how I have been cured. I took but six bottles. I think no one can praise Hood's Sarsaparilla as much as I will praise itself. JOHN SAXTON, Scotland, Westmoreland Co., Pennsylvania.

Hood's Pills are the best after-dinner Pills, assist digestion, cure headache. Try a box.
